Buy your conservatory now and choose to pay monthly at 12.4% APR representative.

This finance option allows you the convenience and flexibility of spreading the cost of your home improvements over 60, 120 or 154* months from the date of completion. You must make the minimum repayment each month. However you can also make additional payments and therefore control the length of the loan and the amount of interest you would pay. No security is required on this loan.

Buy your conservatory now and pay nothing for 9 months.

This option allows you a 9 month payment holiday from the date of completion, with a 15% deposit to pay when you order. As long as you pay the outstanding balance in full before 9 months has elapsed plus a £29 settlement fee you will pay no interest on your loan. If, after 9 months, this is not convenient, you can pay in 120 monthly instalments at 19.9% APR Representative. If the loan is not settled in full within the deferral period, then interest will have accrued from the start of the agreement on any amount still outstanding at the end of the deferral period. Interest will continue to be charged until the agreement is repaid in full.
